STIR IS CREATED BY "SNEAK BILL"

[Special to The Times-Dispatch.] [Special to The Times-Dispatch.]
Raleigh, N. C., October 1.—A stir was created in legislative circles to-night, when it was found that the House had, without knowing it, passed and sent to the Senate a bill that would take Wilkes County out of the Seventh Congressional District and restore it to the Eighth. The scheme behind the attempted legislation is alleged to be to upset the political complexion of the two districts and restore the Eighth to the Republican column. It is charged to be a "sneak bill." It was introduced by Representative Linville Bumgartner, of Wilkes County, and the House passed it without reading it.

piece of attempted legislation. Rumgartner's friends insist that he has

the bill was sent to him from Wilkes
